

Custom Leads

I'm asked every day: "*Which is the best list for my offer*"?
Now there is no longer any need to try to fit your offer into one of my existing lists. *Now I can build a list especially for your offer!*

I offer a very special type of lead for folks who are serious about making money in the mail and making the maximum amount possible *fast, almost instantly!*

While the leads I offer online are powerful, these Custom Leads are harvested especially for what you are offering so you'll enjoy a response rate that will impress even the most hardened skeptic.

As a client who mails more than 15,000 pieces monthly says:

"Once you try Mark's Custom Leads I predict you will never go back to any other lead, not even his other online leads."

HOW IT WORKS

Place your order then email or mail me your mail piece for analysis. I may ask questions and may ask to see elements of your fulfillment package. Once I have a firm grasp of what you're offering, instead of sending you one of my online lists I'll begin harvesting leads that are custom-made for your offer. Please allow up to one week (it usually takes less). Once the harvest is completed I'll email your list to you in an Excel spreadsheet. No labels are available on these Custom Leads.

THE PRICING IS AS FOLLOWS

\$360 per 1000 leads with a minimum order of 5000.

If you feel your business is not worth \$1800 then please order one of my online lists and you'll do just fine. Remember, my online lists are suitable for *any money-making plan* but these **Custom Leads bring you the most immediate, maximum money in the mail that is imaginable.**

- Cannot be ordered online but may be ordered by mailing cash or money order (no checks) payable to 'Mark Beshara' or by bank wire transfer (request bank details when you are ready to order).
- I don't examine mailing pieces before you order.
